

Minutes of the meeting via Zoom of Whitland Town Council held on 22nd June 2019.

Present: Cllr Barry Chapman, Gabriela Poore, Ffion Scourfield, Len Shipton, Avril Wilson, Dave Walsh-Gibbon and County Cllr Sue Allen. Cllr Barry Chapman had technical issues during the meeting.

The current Chairman was having ongoing technical issues with audio accessibility for the meeting, and unable to have attend visually. The current legislation requires that attendees as a minimum can hear and be heard by all present. It was therefore agreed by all that Cllr Poore should chair the meeting. She duly welcomed everyone to the meeting.

1. To accept apologies for absence. These were received and accepted from Cllrs Raymond Jones, Ron Jenkins MBE, Mathew McDowall and Rob Morgan.

2. To disclose personal and pecuniary interests in the items listed below. No interests were declared.

3. To review and agree the minutes of the previous meeting on 20th March 2020. These had been previously circulated. They were reviewed and agreed. The Chairman would duly sign them as soon as possible.

4. To receive the Clerk's report. This had been previously circulated. It was agreed that the new website was attractive, and that various Cllrs would work with the Clerk on updating the information held on it over the coming months.

5. To receive County Councillor's report. This had been previously circulated. Cllr Wilson expressed her thanks to Cllr Allen for raising the importance of testing in care homes within CCC early on in the pandemic. The opening of CCC owned public toilets was also raised – the Clerk would investigate other short-term means of having the toilets cleaned safely at this time.

Cllr Shipton left the meeting at this point.

6. To receive any other activity reports and information. A brief update on Whitland Abbey was provided. The Trevaughan area was discussed, and it was agreed that grass cutting should continue into the autumn when wildflower seeding would be done except around the trees to protect them. The suggested planting layout would be circulated in the near future. The current contract with XLN would be maintained until the Wifi provision finished in November to maintain the Llewelyn Davies access

point. Cllr Allen stated that the portable tennis net would be made available at Parc Dr. Owen on the renovated tennis court in the near future.

7. To consider co-option to the Council. A member of the public had expressed an interest shortly after the last meeting. However there had been no reply to more recent contact attempts.

8. To consider the Planning Aid Wales training offer. This was considered a good offer, and it was agreed by those present to apply for it. Places would be offered to WTC Cllrs initially, and surplus places then offered to neighbouring councils.

9. To consider the financial report for the year to date. This had been previously circulated. This was accepted, and the Clerk requested to transfer the reserve funds over to the second account. The details of payments since the last meeting would be circulated by the Clerk

10. To consider re-instating delegated powers for the Clerk until the next meeting. This was agreed.

11. To decide date of next meeting. This was agreed for Monday 20th July, and would be held by Zoom. Topics would include drawing up plans for how the Council would support local businesses as they and the community recovers from the pandemic.

There being no other business, the meeting concluded at 8.20pm
