

### **Chair report for November 2019 meeting**

Post Office Workshop has now been confirmed and will have Barclays and Natwest in attendance. Posters have been modified by PO who are also producing bi-lingual posters. Also I have had a phone call from PO HQ who are endorsing the scheme and will publicise it through media and Whitland has achieved what PO has failed to do.

Invite received for Ex-Servicemens concert and I will be laying a wreath on Remembrance Sunday.

Attended finance meeting, reports to follow in agenda.

No further progress on Town In Bloom from the Chair. Clerk is investigating options and prices, and composing a report for Council.
