

Chairs Monthly Report May 2019.(Possibly Outgoing).

After discussion with the Clerk it was suggested that each month similar to the CC report and Clerk report the Chair could produce a small report to reflect on previous month's activities and to highlight the forthcoming month's plans; this could also be uploaded to website for transparency and also for townspeople to know what the Town Council and Mayor are doing for the community.

April saw a busy month attending the Annual Prize Giving in Dyffryn Taf, Fashion Show at The Town Hall, The Opening of Bowling Club and attended The Patrons Concert with Whitland Male Voice Choir.

The ATC have announced their nomination for Mayors Cadet of 2019 who will be introduced at Mayor Making Ceremony in June.

Unfortunately due to clashes with other events in Whitland The Litter Pick didn't take place; I am still hoping to arrange a date in the future. Once exams have finished in School I am hoping to meet up with Mr Kennedy and Tanya Croston-Evans to move this along.

This month's engagements/invitations so far are:- This Friday 10th May Choosing of Carnival Queen for 2019; also invitation to Mayor of Carmarthen's installation on same date. Invitations have also been received for other Civic Events to include Chairman of Carmarthenshire CC.

This year I hope to be able to represent WTC at all local and regional events and if I am unable to do so then with advance notice be able to ask Deputy or a nominated person to delegate.
